

COMPANY PROFILE

Our mission is to provide industry with profitable solutions in warehousing & logistics, packaging & manufacturing, contract labor and product sourcing. Our clients make no capital investment and are provided with the ability to flex up and down regarding space, labor, equipment and products.

Handl-it's warehousing and distribution business provides clients with secured warehouse space at strategically located low cost facilities with rail, overhead crane and foreign trade zone capability. Our value added warehousing services include complete order fulfillment with EDI and bar coding capabilities, freight consolidation, cross-docking and just-in-time programs. Our user-friendly on-line information system allows our clients to utilize a 24/7 secured web site to monitor their inventory levels. Handl-it's professional management team is highly experienced in warehousing & distribution logistics and currently handles a wide variety of products for several hundred manufacturers, distributors and retailers including many Fortune 500 companies. Our product handling capabilities includes a wide range of consumer goods, food and grocery items, steel coils and sheets, building materials, roll paper & corrugated products and a wide variety of industrial products.

Our packaging and manufacturing businesses provide custom designed contract packaging services including sustainable packaging, blisters, RF, cartoning, shrink wrap, product processing, assembly and club packs. Our thermoformed plastics include Smartcycle film, blister combos and clamshells. Thermoforming services also include prototyping, custom tooling and manufacturing of various other thermoformed products and trays.

Handl-it's Just In Temps division specializes in providing labor-intensive industries with on site, temporary industrial workers, who are tested and evaluated in our own industrial setting prior to job placement. Workers are transported to and from job sites to ensure that our clients maintain a reliable on-time quality work force. Handl-it Staffing Inc. also provides clients with Professional Temporary Workers, Temp to Hire Associates and Direct Hire placements.

Our Asian sourcing and manufacturing group has over 25 years of experience in providing our clients with the best products Asia can offer, eliminating expensive and time consuming trips across the globe to source quality products. Services include product sourcing, research, design, assembly, testing, packaging, warehousing, container consolidation and distribution.

Our companies can "Handl-it" – Space, Labor, Equipment and Product Development.
